

AREA LITE CO

360° LED work light with 6000 lumen and outlet

ORIGINAL
SCANGRIP
SINCE 1906

// Illuminating the entire working area

The new AREA LITE CO is a real basic work light especially designed to illuminate the entire room 360° around. The AREA LITE CO provides a diffused and pleasant, non-blinding, and uniform work light with large dispersion. These features are ideal for the demanding craftsman who requires powerful and efficient illumination of not only larger surfaces but the entire room carrying out any kind of repair, paint or construction work.

// High performance 360° work light

The light output of the upgraded AREA LITE CO has been **increased from 4000 lumen to 6000 lumen** which is very powerful compared to similar lamps on the market. AREA LITE CO is extremely sturdy and durable and withstands being dropped.

// Flexible positioning

The AREA LITE CO can be positioned directly on the workbench or hang in the sturdy hook from any mounting option available. SCANGRIP mounting stands offer completely flexible lighting solutions; the lamp can be mounted directly onto the TRIPOD without any time spent on fastening obtaining a height of up to 3m. If you need a mobile light that can be moved quickly from place to place the lamp can be mounted directly on the WHEELSTAND.

AREA LITE CO is with power outlet. More lamps can be connected in a string by the power outlet which can also be used as power source for various tools and machinery.
